

# Preeti Maurya

## Junior Software Engineer

Focused and quick-learning Software Engineer with 1 years of experience in Python and JAVA Programming, Data preprocessing, different labelling tools.

mauryapreeti964@gmail.com

9984394706

Pune, India

## WORK EXPERIENCE

### Junior Software Engineer

ifm Engineering pvt. ltd.

08/2021 - Present

Pune

#### Achievements/Tasks

- **Labeling Tool Development** :- Build a tools that is used for labelling of images.
- **Data annotation**(Labelling)
- **Data Preprocessing** :- Create various code to create the dataset in various format that can be used in Deep learning .
- **Image Classification**

### Consultant

ifm Engineering pvt. ltd.

08/2019 - 07/2021

#### Achievements/Tasks

- **Data Augmentation / Data processing**
- **Labeling Tool Development** :- Build a tools that is used for labelling of images.
- **Web Development**

## PERSONAL PROJECTS

Image Classification (09/2020 - 03/2021)

- To classify the object present in the images

KeyPoint Detection (06/2021 - Present)

- To get the middle center coordinates of the object

Study Tutorial website (01/2019 - 03/2019)

- Create a small website of study tutorial for our college project.

## EDUCATION

### Masters

MIA University

04/2022 - Present

#### Courses

- **Masters in Computer Science**

### Graduation (B.tech)

Himalayan Institute of Technology And Management

07/2018 - 07/2021

LUCKNOW

#### Courses

- Bachelor of Technology (CSE)

## SKILLS

Python

Java

DSA

HTML

CSS

JavaScript

Bootstrap

Git

C

MYSQL

DL Framework

Image Processing

## CERTIFICATES

Full Stack Development (04/2022 - Present)

Python Programming (08/2020 - Present)

Deep Learning from Great Learning  
(01/2021 - Present)

IT Security from ifm Engineering pvt. ltd.  
(06/2021 - Present)

Machine Learning from Great Learning  
(01/2021 - Present)

Web Developement (07/2018 - 06/2020)

## ACHIEVEMENTS

Awarded with Gold Medal in Diploma  
(07/2016 - 07/2019)

*I was the topper of my Batch so I awarded with Gold medal.*

## LANGUAGES

English

*Professional Working Proficiency*

Hindi

*Full Professional Proficiency*

## INTERESTS

DSA

Deep Learning

Full Stack Development
